Foreign Reporter to Come

Shirer to Present Assembly Address Tuesday Morning

William Shirer, foreign correspondent and author, will address the student body in an assembly at 10 a.m. on Tuesday, March 10.

Mr. Shirer, long recognized as a keen observer and highly able reporter on the state of the nation and the world, will present his views and policies concerning national and international problems currently facing the American people.

Reporting, writing, and personal experiences provide a background which enrich his lectures.

To those who have listened to his broadcasts and who have read his best-selling Berlin Diaries, Mr. Shirer is regarded as a reporter who has the faculty of being on the

William Shirer

scene when anything important and newsworthy occurs and one who can impart to his audiences the feeling that they too are participants.

In recent years the man whose voice from Berlin has become a classic has continued his incisive radio commentaries over the Mutual Broadcasting System. However, since writing continues to be his prime concern, it is probable that he will continue to devote his full time to this interest.

Shirer was born in Chicago and moved to Cedar Rapids, Iowa, in 1913, remaining there until 1925. After graduation he left America for Europe, planning to stay two months, but he stayed more than two decades.

Co-Chairmen to Be Assembly Leaders

Nick Jacobs and Marilyn Cox, co-chairmen of Religious Emphasis Week, will preside at the general assemblies today and tomorrow, respectively. The assemblies will be held in the College auditorium, with the Rev. B. L. Schubel speaking.

Activities of Religious Emphasis Week began Sunday with a fellowship supper in the Union lounge, at 5 p.m., at which an estimated eighty persons were present.

Dr. J. Gordon Strong presided at the meeting and introduced Dr. Schubel, who gave his opening talk on the theme of the week, "Disciplined for Today's Demands."

Dr. Schubel said that the most important point in developing any program of self-discipline is motive. He then went on to give what he called a method of self-discipline, saying that this method can be used only by a person who is really in earnest.

Major assemblies with Dr. Schubel speaking were held Monday at 10 a.m. for the entire student body and Tuesday at 2 p.m.

Eleanor Roosevelt Praises Students

"At Maryville, Missouri, the Northwest Missouri State College auditorium was packed, and I was happy to find great interest and a number of interesting questions from my young audience."

W. M. C. Dawson Becomes President Of College Board

Mr. W. M. C. Dawson, of Grant City, was elected president of the College Board of Regents last Wednesday when the group met in special session.

Renamed vice-president was Mr. Harold Hull, of Maryville, and Mr. Luther Belcher, College secretary, was renamed secretary-treasurer.

Dawson Replaces Ford

Mr. Dawson replaces Mr. M. E. Ford, whose second term on the board expired in December.

Mr. Garvin Williams, of Maryville, was named to Mr. Ford's post on the board, and Mr. Hull was reappointed to a second term by Gov. James T. Blair in January.

Contract Goes to Thomas

After reorganization, the board awarded the construction of the addition to the six-year-old Union building to Thomas Construction Co., of Maryville and St. Joseph, a low base bid of \$208,850. Three other bids were considered, with the high bid being Lehr Construction Co., Kansas City, on a figure of \$234,567.

Construction is expected to be completed by the opening of the fall term.

Board Names Personnel

In other action the board named
(Continued on Page Two)

Musicians to Begin Tour on March 11

Sixty members of the concert band, the progressive jazz group, Mr. Earle Moss, Dr. John L. Smay, and Mr. Everett Brown will go on their annual concert tour Wednesday and Thursday, March 11 and 12.

On March 11, they will give day concerts at Maysville and Gallatin. The progressive jazz group will give an evening concert at Jamesport that night. Joe de la Cruz, vocalist for the group, will sing several numbers. They will spend the night at Trenton. On March 12, the band will give concerts at Trenton and Bethany.

Eight numbers will be featured at the concerts. Two of the eight numbers were written by Mr. Earle Moss. They are "South American Suite," which contains three movements, the "Beguine," the "Rhumba," and the "Fandango," and "The Golden Anniversary March," which was first played by the U. S. Navy Band on campus for the Golden Anniversary of the College.

Other numbers to be featured are "Finale" from "The New World Symphony" by Anton Dvorak, "Second Suite for Military Band in F Major" by Gustave Holt, "Porgy and Bess" by George Gershwin, "The Nutmeggers" by Eric Osterling, "Belle of the Ball" by Leroy Anderson, and "Semper Fidelis March" by John Philip Sousa.

F.T.A. Conference To Be Here Friday With SNEA as Hosts

John Dewey chapter of the Student National Education Association will be host to the fourth annual conference for Future Teachers of America organizations to be held here the afternoon of Friday, March 6.

Mr. G. Max Coleman, assistant superintendent of schools, St. Joseph, will give the keynote address at the opening session. His subject will be "Characteristics of a Master Teacher."

Registration and distribution of materials will begin at 12:30, with the opening session beginning at 12:50. The local SNEA quartet, composed of Don Petry, Charles Elliott, Richard Jenkins, and Bob McCullough will sing. Ray Fore, president-elect, will preside at the session.

President Jones to Greet Group

President J. W. Jones will give greetings to the group, after which Mr. Coleman will speak. Dr. Wanda Walker, local chapter sponsor, will present the plans for the six discussion sessions.

Dr. Leon Miller, chairman of the education department, will be discussion leader for "The Role of the FTA or SNEA sponsor." Mrs.
(Continued on Page Two)

College to Invite Parents to Campus

Once again the College will be welcoming parents to the campus as it has done in the past. The annual Parents Day is scheduled for Thursday, March 26.

To begin the day's activities, there will be a Sunrise Service at 6:30 a.m. held in the Union Chapel, sponsored by the Student Christian Association.

Classes will be open for visitation from 8:00 to 12:00. Other events will be a coffee hour from 9:00 to 10:00 in the Union lounge, and an assembly, beginning at 10:00.

Parents Day provides an opportunity for all parents to attend classes and to spend a day on campus.

BARBARA BURGESS . . . was crowned Tower Queen by Bob Owens, student body president, at the Tower Dance Saturday night. Nearly 1100 students voted in the queen election, Sylvia McConkey, Tower editor, announced the dedication of the yearbook to Dr. Charles Koerble, Dean of the Faculty.

BEHIND THE BIRCHES . . . stands the impressive addition to an expanding campus, the new classroom building. Work on the interior is progressing, and the students are awaiting its completion.

Bright New Classroom Building Will Win Enthusiastic Approval

How does the new classroom building look? Like a million dollars! It is big, new, bright, cheerful, and beautiful; and frankly, it will win enthusiastic approval when classes begin to meet in it.

Finishing of the building is progressing rapidly, and it is expected about April 1. Target date for occupancy has not been announced, since transfer and placement of furniture and equipment will take additional time.

Progress Is Satisfactory

Progress is considered satisfactory, for construction has been in progress 49 weeks. As Mr. Russell Evans, assistant superintendent of construction, points out, spending less than a year on a project of this scale is regarded as very good.

Something of a record was established when, in spite of excessive rainfall, bricklayers lost only six hours of working time in a five and one-half month period. Waiting on certain materials has caused some delays.

Some Outside Work Remains

Outside work remaining includes some work on steps, building of sidewalks, and grading of grounds. Mr. Rod Thomas, of the Thomas Construction Company, St. Joseph, is superintendent of the classroom building construction. Mr. Roger Lind is superintendent of construction for the College.

Floor plans of the first and second floors are alike except for the north entrance on the first floor, and the seminar room on the second. On each floor are offices, six regular size classrooms, seven large size classrooms, and a lecture room with seating capacity of about 150.

Lounges-Are on Ground Floor

Faulty lounge and the student lounge are on the ground floor near the south entrance. Also on this floor are five large and two small classrooms, as well as storerooms, incinerator, and two areas yet undesignated.

Inside, the work has progressed from the top down with the second floor now about ninety-nine per cent completed. In the halls are tack boards, recessed display cases, and cases for dioramic displays.

Floors throughout are to be covered with terrazzo or asphalt tile. Walls are being painted in light shades with harmonizing flecks.

This modern new building will be an impressive addition to an expanding college.

Wayne Borden Receives Teaching Assistantship

Wayne Borden, a senior from Bethany, has received a teaching assistantship in chemistry at Iowa State College, in Ames. He will pursue his studies for an advanced degree in chemistry beginning July 1.

Borden, the son of Mr. and Mrs. A. C. Borden, Bethany, has triple majors in chemistry, physics, and mathematics and a minor in general science.

His major instructor at Ames has made complete arrangements for living quarters, and Mr. Borden will be ready to enter his graduate classes upon arrival.

Agriculture Teams Plan for Two Trips

Two livestock judging teams from the agriculture department of the College will visit two states this week. Mr. F. B. Houghton, instructor in agriculture, will accompany one team to Berea, Kentucky, Thursday, and Mr. John Beeks, instructor in agriculture, will accompany a group to Woodward, Oklahoma, today.

Plans are made to attend a meeting of the National Association of College Teaching of Agriculture at Berea College, Berea. Bill Simmons will be a student delegate to the same association, and he is serving on a committee working out plans for a national honors society for students studying agriculture.

Students who are going to Woodward are Phil Standlea, Melvon Anderson, Tim West, Joe Pepper, and Charles Patterson.

Besides Bill Simmons, those going to Berea are Dick Johnson, Nelson Thornton, and Fred Conner.

Students to Appear At Music Recital

Advanced and young artist students of Mr. Charles Kuhn will be presented in a formal recital by the music division and the Piano Repertoire Club in the Horace Mann auditorium Monday, March 9, at 8:15 p.m.

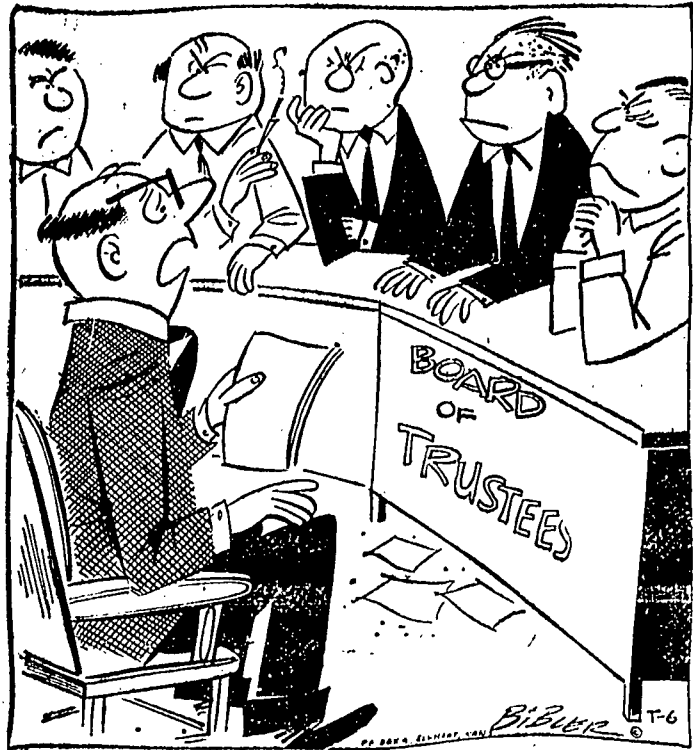

No admission will be charged and the public is invited to attend. Students who will appear in the recital are Sharon P. Mooney, Sandra Crater, Darlene Weldon, Helen Bahr, Martha Whitehead, Kathryn Clark Adams, Eva Lee Hess, Judy Klamn, Sharon Kiel, Marjorie Guinn, and Anna Roberts Smith.

Many compositions well-known to non-musicians will be heard. Eva Lee Hess and Kathryn Clark Adams will play duo-piano numbers as well as solos. They will play the duo-piano transcription of the well known orchestral work, "Espana" by the Spanish composer, Emmanuel Chabrier. Mr. Kuhn sent to Europe for the music of "Espana."

Anna Roberts Smith, a 1957 graduate of the College now teaching music at Hopkins, is studying with Mr. Kuhn and will play a movement of a Mozart Sonata. Marjorie Guinn will conclude the program, playing Robert Schumann's "Concert Allegro" for piano and orchestra, with Mr. Kuhn at the second piano.

Mr. Kuhn, faculty advisor for the Piano Repertoire Club, organized the club last fall. Officers of the club are Eva Lee Hess, president; Martha Maris, vice-president; and Joel Pottinger, secretary-treasurer.

LITTLE MAN ON CAMPUS

EVEN THE STUDENTS ARE DEMANDING HIGHER SALARIES FOR OUR TEACHERS—PROFESSORS COME & GO SO FAST THE FRATERNITIES DON'T HAVE TIME TO BUILD A 'TEST FILE' ON THEM!

Disciplined . . .

"Disciplined for Today's Demands," the theme of Religious Emphasis Week, is a thought provoking subject, as students who have heard the talks by the religious leaders have discovered.

This week's emphasis on religion provides a review of the teachings of Christ and their application to living. Even though two thousand years have passed since Christ's death, His teachings have not been excelled.

One definition of discipline is "To Educate; to develop by instruction and exercise; to teach."

How well-educated for today's demands are the students of this College? The demands are great, but college students have an opportunity to become prepared to face these demands.

One may only hope—and may we add, pray—that this opportunity to become educated, to become developed by instruction and exercise, will not be wasted.

—Joyce Barnes

They're Talking About . . .

THEY'RE TALKING ABOUT . . . the lovely Tower Queen and her attendants . . . the men without dates and the "import date trend" for every big dance of the year . . . the big name bands and the appearances of famous people in our midst.

THEY'RE TALKING ABOUT . . . the return of the "slush and mud age" . . . all the parking tickets issued in parking lot 6, one Monday . . . the "Letter to the Editor" column . . . how badly the business department needs to purchase another stop watch . . . the campus "stars" . . . the path to the Field Service Office becoming more worn as "prospective teachers" near that graduation date.

THEY'RE TALKING ABOUT . . . the Dorm Council's sudden interest in the little freshman gal who refuses to "squeal" . . . the recurrence of the familiar "Campused" sign on the doors of Freshman Hall and Residence Hall . . . the first robin and approaching spring . . . the numerous birthdays celebrated during the "patriotic month."

THEY'RE TALKING ABOUT . . . the ever-faithful exams in the chemistry department . . . only 59 more school days left in this semester.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

The Stroller . . .

The Stroller hasn't seen a robin yet, but Spring has apparently sprung for he sees that topcoats are becoming rarer on campus. Among the men he has noticed that there exists some speculation as to how soon it will be before bermuda shorts are worn again—by the women.

Mid-terms are still a safe distance in the future, but one notices that those who are interested in their major courses are energetically preparing for exams. For evidence of this, just check the intent enthusiasm with which the bridge majors go about their work in the Den. Oh well, incidental learning sometimes proves more valuable than formal lectures.

With the great world problems growing greater every day it is good to see that this generation shows a courage to carry on as if nothing could deter the welfare of the individual. Surely, in a word, the greatest problem facing many of our students, especially the graduating seniors, appears to be the word "salary."

Spring dances are just around the corner and the mad rush for dates will soon begin. Questions such as "Shall I ask Jane or Mary?" and "If I go with Marilyn will Carolyn ever date me again?" will be heard throughout the busy time. The only advice the Stroller can give to these perplexities is "when in doubt—punt!"

Mr. Boone Attends Columbia Meeting

Mr. Luke L. Boone, director of the instructional materials bureau, traveled to Columbia February 21 to participate in the regular executive board meeting of the Department of Audio-Visual Education of the Missouri State Teachers Association.

Representatives of the science, mathematics, and modern language departments of the MSTA were present to discuss various aspects of audio-visual education involved in their areas of instruction. Particular attention was given to the needs of these groups for new materials which provisions of the National Defense Education Act might make available.

F.T.A. Conference to Be Here Friday With SNEA as Hosts

(Continued from Page One)

Frances Henley, Carlisle, Iowa, will be assistant leader. Mrs. Martha Woollums, Martinsville, and Mrs. Vivian Johnson, Mt. Airy, Iowa, will be recorder and reporter, respectively for this group.

Discussion leader for "Getting F. T. A. Started" will be Jackie Smith. Working with her will be Bill Kurtz, assistant leader; Pat Tucker, Stanberry, recorder; and Judy Siddens, Albany, reporter.

Ray Fore to Lead "Programs" In charge of the "F. T. A. Programs" group will be Ray Fore, leader; LaDonna Taylor, assistant leader; Joan Kelley, South Nodaway High School, recorder; and Myrna Owens, Carlisle, Iowa, reporter.

Conrad Bensyl will be the discussion leader for "Membership and Publicity." Working with him will be Larry Brown, assistant leader; a delegate from Carlisle, Iowa, recorder; and Vera Nickerson, Martinsville, reporter.

"Budget and Finance" discussion will be headed by Gary King, leader; Rose Mary Coats, assistant leader; Veva Starner, Martinsville, recorder; and Margie Miller, Stanberry, reporter.

Miss Cramer to Lead "Problems" Leading discussion on "Problems of SNEA" will be Delvee Cramer, leader, and Richard Henderson, assistant leader, with recorder and reporter to be selected from delegates from other colleges.

Members of the audio-visual class, under the direction of Mr. Luke Boone, will have a display of instructional materials, and Mrs. Frances Henley will show film strips and slides of the organization of the Iowa State FTA in February.

Refreshments will be served by the local chapter under the supervision of Ann Porter.

Wedding

Best wishes to Mr. and Mrs. Don Riley who were married Saturday, January 24, in Mound City. Mrs. Riley, the former Kathleen Taylor, is a member of Alpha Sigma Alpha sorority, and Don is a member of Sigma Tau Gamma fraternity. Both are sophomores on campus.

Music Instructors Attend Convention

Mr. and Mrs. Glen Stewart, Miss Ruth Miller, Mr. Charles Kuhn, and Dr. John Smay attended the national convention of the Music Teachers National Association in Kansas City, February 24-28.

Features of the programs included the Kansas City Philharmonic Orchestra; Joseph Szilgete, violinist; the Kansas University Orchestra; choirs from Washington University and Lincoln University; and two operas—"Taming of the Shrew" and "Medium."

The delegates also attended conferences, lectures and various meetings.

W. M. C. Dawson Becomes President of College Board

(Continued from Page One)

Mrs. Emma Ruth Harris as secretary in Dr. J. W. Jones' office. Mrs. Esther McDonald, Maryville, was named to teach the fifth grade at Horace Mann this summer, and Mrs. Virginia George, Albany, was named to teach the Horace Mann seventh and eighth grades at Horace Mann during the summer term.

Mrs. Margaret Owens was named to replace Mrs. Marilyn McCullough as business office secretary.

Egy to Be Patrolman

David Egy, of Maryville, was named to replace the late Ollie Majors as campus patrolman and a member of the maintenance crew.

Two board members, Mr. H. F. Simrall, Liberty, and Mr. H. N. Stevenson, St. Joseph, were unable to attend the meeting.

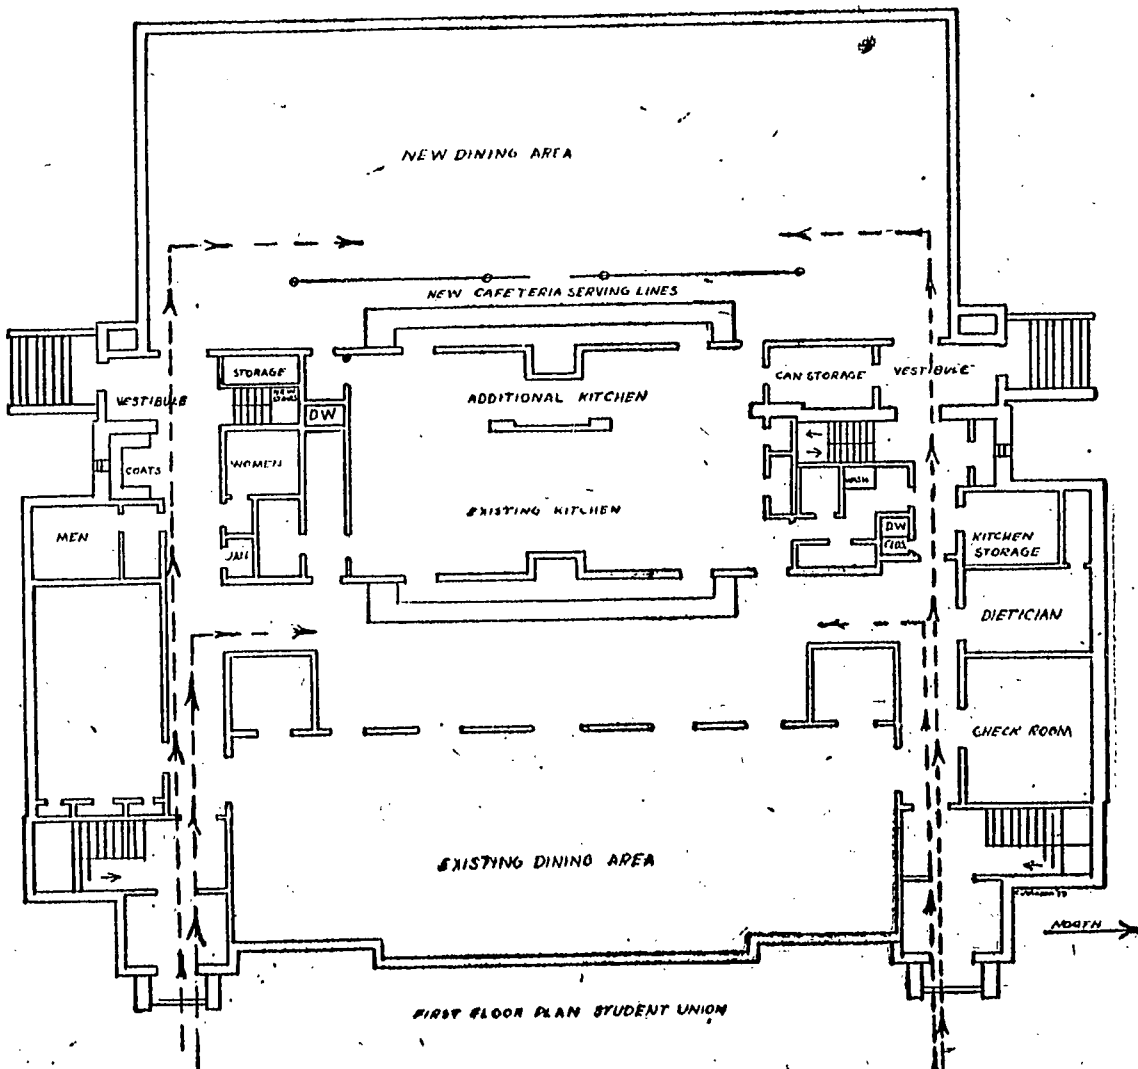

Also attending were Dr. J. W. Jones, president of the College, and Mr. Belcher and Mr. Emil O. Rayerl, Kansas City architect.

Den Schedule

Many of the students on this campus are not certain of the hours the Den is open. A schedule of the Den hours appears below.

On Monday through Friday the Den is open from 7 in the morning until 9 at night. Saturday the Den is open from noon until 6 p. m. On Sunday the Den opens at 3 p. m. and closes at 6 p. m.

Plans for Union's First Floor Show Much Space

FLOOR PLANS . . . for the enlarged Union building give a picture of the vastly increased facilities to be available when the new addition is completed next fall. Arrows on the plan indicate the direction of lines into the serving areas. As shown on the plans, a much greater number of students will be able to wait inside the building instead of outside when the weather is bad.

ACE Women Plan Radio Broadcast Of KNIM Storyhour

Members of the Association for Childhood Education decided at their last meeting, February 25, to sponsor a "Storyhour" over KNIM radio station on Saturday mornings beginning March 7.

Barbara Wagner, program chairman, led a panel of parents who discussed "Parent-Child Relationships" with emphasis on discipline, responsibility, and attitudes. Panel members were Mrs. Elvin Innes, Mr. Robert Foster, Mr. Pat Hasty, and Mrs. James Johnson.

ACE will meet tonight in the Horace Mann auditorium for its Religious Emphasis Week meeting. The regular March meeting will be Wednesday, March 11, and the program will be on the topic, "Children Need Good Books." Miss Barbara Wilson will be the guest speaker.

Sig Taus Entertain At Spring Smoker

Theta chapter of Sigma Tau Gamma fraternity held its spring semester smoker at Armstrong's restaurant Wednesday evening, February 25. Harold Wilkinson and Joe Monachino served as chairmen of the smoker.

Members of Sigma Sigma Sigma and Alpha Sigma Alpha sororities furnished entertainment. Roger Blackwell acted as master of ceremonies. Short talks were given by Dr. John Harr and Mr. Robert Foster.

Alpha Phi Meets To Initiate Eight

Eight men were formally initiated into pledgeship in Alpha Phi Omega service fraternity during the meeting Wednesday, February 25.

New initiates are Jerry Gilliland, Larry Brown, John Gilliland, Jerry L. Ferrell, Gary L. McMahon, James T. Schor, Donald C. Walker, and Kent Lawrence.

Pledge class members elected Jerry L. Ferrell, president; Kent Lawrence, vice-president; Gary L. McMahon, secretary; and James T. Schor, treasurer. The pledge class was named the Myrl D. Long pledge class in honor of one of the fraternity's sponsors.

I. A. Club Sponsors Trip to Kansas City

Members of the Industrial Arts Club are sponsoring a field trip to the Kansas City area tomorrow. Sixty-five people traveling in two buses will visit the Claycomo Ford Motor Company assembly plant, and the Frank Paxton Lumber Company. The Paxton Lumber Company will play host to the boys for lunch.

This trip is the first of several planned for the spring semester.

Smay and Dorman To Attend Art Clinic

Dr. John L. Smay and Mrs. Dean Dorman will judge at the Invitational Art Clinic at Albany high school, Saturday, March 7. The contest is sponsored by a local civic organization. All schools in the surrounding area have been invited to participate.

Patronize Missourian Advertisers

NEXT MONDAY NIGHT . . . these students will be in a piano recital. Seated at the piano is Mr. Charles Kuhn, and standing, left to right, are Sharon Mooney, Judy Klamm, Eva Lee Hess, Marjorie Guinn, Kathryn Adams, Helen Bahr, Martha Whitehead, and Sharon Kiel. Mr. Kuhn is the instructor.

Debate Team Wins Excellent Awards At William Jewell

Lee Slaughter and Larry Brown, working as a team, won three and lost two rounds of debate at the State Association of Forensic Directors Silver Anniversary Tournament which was held at William Jewell College on February 19-21. They were one of six teams to win superior or excellent awards.

In the junior division the team of Dave Hargrave and Don Hannah won only one debate, but in so doing spoiled a perfect record for a William Jewell team.

In discussion Larry Brown was among the top six award winners, and he was ranked second high. Sandra McMillan was ranked 11th from 41 contestants.

Professor Clayton Ford of Principia College, coach at the first tournament, 1934, was the speaker at a special banquet held February 12 celebrating the twenty-fifth anniversary of the Missouri Forensic Directors Association.

At the directors meeting following the banquet Mr. George Hinchshaw, member of the English and speech department and director of forensics at the College, was elected vice-president of the association for the coming year.

County Students Visit College

More than six hundred students of Nodaway County High schools attended a career day held here Friday, February 27.

Instructors Attend Iowa State Meeting On Nuclear Fission

Four faculty members of the College science departments attended a nuclear fission seminar for science educators and engineers on the campus of Iowa State College at Ames, Monday, February 23.

Dr. D. M. Cooper, Mr. Myrl Long, Mr. J. Norvel Saylor, and Mr. Theodore Weichinger, along with science teachers from other colleges and high schools in this area, attended the seminar under the sponsorship of the St. Joseph Light and Power Company.

Among the topics taken up by the seminar were "Radioisotopes in Service," "Atoms in Agriculture," "Atomic Power — a Program," "Fundamentals of Nuclear Reactors," and "The Pathfinder Atomic Power Plant."

The group of about twenty persons left here Sunday afternoon and spent the night in Des Moines before traveling on to Ames Monday morning.

Dieterich Discusses Teachers' Problems

Problems confronting the student teacher were discussed by Mr. Herbert R. Dieterich at a recent seminar in the Horace Mann auditorium.

The questions used for the talk were taken from the reports filled out by all students doing directed teaching.

Mr. Dieterich pointed out that for the teacher to gain the pupil's respect, "he must know the subject he is teaching and be prepared for each class meeting."

Other points that were commented on by Mr. Dieterich as being important to effective teaching were to keep the work on the level of the pupils and to refrain from too much lecturing.

Student teachers were asked by Mr. Dieterich to co-operate with the Horace Mann staff in using the utilities conservatively and in keeping the classrooms neat and in proper order.

Patronize Missourian Advertisers

Engagements

Congratulations to Kay Jean Noel and Donald Pierpoint on their recently announced engagement. Miss Noel is a senior elementary education major and is a member of Sigma Sigma Sigma sorority.

Mr. Pierpoint is a 1958 graduate of the college. He majored in business and was a member of Sigma Tau Gamma fraternity.

Dorilla Grace's engagement to Jack D. Hawk has been announced by her parents. Miss Grace is a student at the College. Mr. Hawk is engaged in farming near Sheridan.

Miss Joan Hall, Sigma Sigma Sigma, and Don Eklund, Phi Sigma Epsilon, were recently engaged. Miss Hall is a sophomore from Watson, Missouri, and Don is a senior from Creston, Iowa.

Miss Letha McClurg, Sigma Sigma Sigma, and Leland Jackson, Sigma Tau Gamma, were recently engaged. Letha is a junior elementary major from Maryville, Missouri, and Leland is a junior from Barnard, Missouri.

Thanks

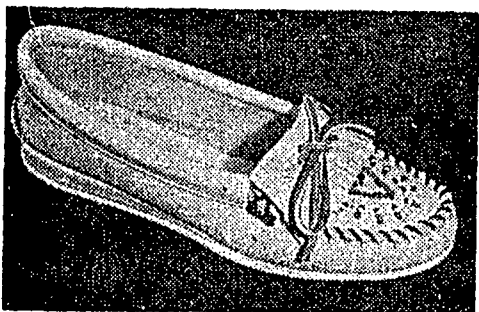

Alpha Phi Omega fraternity wishes to thank the student body members for their help in remembering the family of the late Ollie Majors.

CONDON'S CORNER DRUG

Undefeated Bearcats to Meet Missouri U.

Bearcat Grapplers to Pursue Second Win Over Tiger Squad

Northwest Missouri State's wrestling team will travel to Columbia, Tuesday, March 10, to meet the matmen of the University of Missouri for the second match this season with the Tigers.

In their first meeting on February 14, here at Maryville, the Bearcats soundly trounced the visiting Tigers 36-0. The Maryville victory was led by pins by Lynn Peterson, Harold Wilmarth, Larry Schweizer, Jim Clayton and Doyle Thomas in regulation matches.

In the other three regulation matches Roger Schoening, Ralph Messerli and Bill Waugh won by decisions. Jack Mendenhall scored a pin in an exhibition match for a complete sweep.

The Bearcat wrestlers now have a string of nine victories under their belts, and it looks as though they will chalk up their first undefeated season. Dubuque College was the only team to come close to the Maryville squad in their recent match, which the Bearcats won 20-13. The remainder of the matches were all decisive victories for the Bearcats. As one looks back to the first meeting with Missouri University this season, it doesn't appear that the Bearcats should have any trouble on March 10.

Missouri University is just introducing wrestling at their school this year, a fact which might account for the poor showing against the Bearcats, although with their large enrollment they should be able to field a pretty husky team. The results just show the strength and hustle this Bearcat team has.

Sigma Taus Sweep Tourney Playoffs By Great Margin

Sigma Tau Gamma dominated play in the intramural basketball playoffs. The tournament was won by the "Strappers," a Sigma Tau Gamma team composed of Joe Monachino, Harold Wilkinson, Gene Smith, Delbert DuBois, "Doc" Hughes, Ron Partridge, Dennis Nell, and Grant Hilburn.

The game was nip-and-tuck during the first half of play, but during the final period, the "Strappers" pulled away from the "Honkers," a Phi Sig team, to win 37-26. Ron Partridge scored 16 points for the "Strappers" while Larry Hil-sabeck had 12 for the "Honkers."

The "Strappers" also showed the best record for the season, winning 12 games and losing only one. The "Honkers" finished with an 11-2 record.

Both third and fourth places in the tournament were taken by Sigma Tau Gamma teams. The "Demons" won by a small margin, beating the "Misfits" 43-39. Merle Sorenson was high for the winners with 20 points while Al Brooks and Fred Fuhr scored 12 points each for the "Misfits."

The "Demons" ended with a fine record of 11-1 while the "Misfits" finished with 9-3.

Much enthusiasm was shown by the boys who participated, and it is hoped that this tournament can be continued in future years.

Intramural volleyball is now underway. A great number of teams have signed up and the results should be very interesting.

'Cat Cagers Down Graceland Squad To Finish Season

Northwest's cage team defeated Graceland for the second time this year, 58-46, Monday night, February 23, at Lamoni.

Both teams were very cold from the field hitting only thirty-three per cent of the field goal shots, but the Bearcats dumped in 24 free throws to the Yellow Jackets' eight to provide the twelve point margin.

Maryville snagged 37 defensive rebounds to 25 for Graceland and 14 offensive to 7 by the Yellow-jackets.

Marland Ray, last year's scoring leader, was top man in the game as he produced 15 markers. He was supported with good balance as Leland Jackson counted 13, Gene Jordan 12, and Charlie Goff 11.

Coach Moss' men ended the season with a 10-10 record, the best posted by a Bearcat team in the past 9 years. They finished in a fourth place tie in the MIAA conference with a 4-6 record.

Maryville Boxer Is Regional Champ

Claude Samson, a sophomore at Northwest Missouri State College, recently won the lightweight championship in the Golden Gloves Regional Tournament held at Kansas City.

Samson traveled to Chicago on March 2 with seven other titleists to fight as a contender in the Midwest Golden Gloves Tournament.

The up and coming Maryville boxer, who owns a hard punch and a fine sense of poise in the ring, is intent on winning at Chicago, but definitely plans not to move on into pro ranks should he be victorious. He says he is interested in teaching and coaching after graduating from college.

College Wrestlers Trounce Opponents

The Maryville wrestling team trounced Wentworth Military Academy for the second time this season Tuesday night, February 24, 40-0, before the home fans.

The match proved to be no test at all for the home team as all eight men on the 'Cat team pinned their opponents.

It was the seventh consecutive victory of the year for Coach Dr. H. D. Peterson's grapplers, against no defeats.

The results were:
123 pounds—Lynn Peterson, M, pinned Roger Schueller in 2:17 of second round.

130 pounds—Ralph Messerli, M, pinned Jim Newton in 2:15 of the first round.

137 pounds—Roger Schoening, M, pinned Jim Luesink in :45 of the second round.

147 pounds—Larry Schweizer, M, pinned Charles Gray in 1:25 of the second round.

157 pounds—Harold Wilmarth, M, pinned Jim Rodekoer in :55 of the third round.

167 pounds—Bill Waugh, M, pinned Jack Este in :17 of second round.

INTRAMURAL ACTION . . .
Intramural volleyball is finally under way. In the above picture Don Walker is shown reaching for the ball in a recent intramural game in the main gym.

'Cats Are Second In AAU Tourney

Dr. H. D. Peterson and Dr. Charles Dills took the Bearcat wrestlers to Hays, Kansas, last Friday to compete in the National A. A. U. Tournament and came home with the second place team trophy.

Ft. Hays State, a previous Bearcat victim in a dual meet, entered 23 men in the tourney and thus gained enough points to win, though only one of their men won his weight division. The Bearcats, out of eight entries, had four first places, one second, one third, and two fourth places, to give them a close second place finish, while Kansas State finished third.

Ralph Messerli, Jim Clayton, Jake Mendenhall, and Tank Thomas won firsts, Roger Schoening copped a second, Harold Wilmarth won a third, and Tiger Schweizer, and Bill Waugh finished fourth in their respective weight classes.

Random Shots . . .

The recent warm weather has caused a few baseball men to bring their gloves out of the moth balls and dust them off. Watch the sore arms, boys!

This corner has a correction to make. In last week's paper it was mentioned that the Bearcat cage team had a 15-9 record in the '50 season under Dr. H. D. Peterson. Ryland Milner was actually the coach of that team, and Dr. Peterson guided the 'Cats to a 12-10 record the following year. Sorry!

Sigma Tau Gamma fraternity won intramural basketball by the slim margin of 5 points, 429-424, over Phi Sigma Epsilon. The Taus now hold a 65 point lead, 813-748, over the Phi Sigs in the race for the Supremacy trophy. The Taus won touch football and tennis last fall while the Phi Sigs were winning wrestling.
